Legal Statement on REACH Regulation and RoHS Directive Compliance

1. REACH (Regulation (EC) No. 1907/2006)

Else Groep is a downstream user of raw materials and articles. Compliance with REACH is based on information, Safety Data Sheets (SDS), and declarations provided by our suppliers. Based on this information, we monitor compliance with applicable REACH requirements, including the Candidate List of Substances of Very High Concern (SVHC), as updated by the European Chemicals Agency (ECHA). Where applicable, information required under Article 33 of REACH is communicated through the supply chain. Else Groep does not intentionally use substances subject to authorization or restriction in breach of the applicable REACH requirements.

2. RoHS (Directive 2011/65/EU, including amendments)

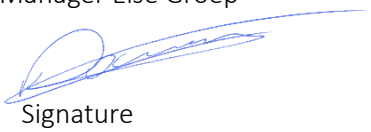

Where products are supplied for applications within the scope of the RoHS Directive, compliance is based on material declarations and other documentation provided by our suppliers. Based on this information, the materials supplied by Else Groep comply with the substance restrictions of the RoHS Directive, where applicable.

General statement

This declaration is issued in good faith and is based on the information available on the date of issue. The information originates from supplier declarations and related documentation. Else Groep does not routinely perform analytical testing for all substances covered by this declaration. This declaration does not constitute an independent warranty beyond the applicable legal obligations.
